Christmas Fayre

It was great to see so many families at the Christmas Fayre after school today. There was a lovely atmosphere around the building. A special thanks must go to the parents on the FOBS team who put in so much effort to organise the event and raise money for the school. Well done to the school choir and Ms Kellman who entertained us with some great singing in the hall.

Christmas Jumper Day 2019

Christmas Jumper day is Friday 13th December. We won't be collecting in a donation to charity – it will just be a fun day before the Christmas disco.

Parent Voice

Our next meeting is on Tuesday 14th January at 9am. We will be joined by Elaine Musgrave who is a community development officer. She is interested in finding out how she can support the local community with mental wellbeing. It will also be an opportunity to talk further about how things are going at school.

Mr Irons off work

Unfortunately, Craig Irons has been unwell over the last few weeks. During this period, we have tried to keep things as consistent as possible for the children in Class 4. As a school, we wish him well and hope he gets better soon. If you are a parent of a child in Class 4, I will keep you up to date with any changes as soon as I am able to. In the meantime, Nicole Willis will be teaching the children.

Bellringer Visit

Last week, a group of bellringers from the Dart Valley Bell Ringers visited the school to work with Year 6. They were very impressed by the children and said how brilliant they were at having a go with the bells. They hoped it gave the children a different experience and was something they enjoyed. As a school, we would like to say a big thank you for the time and effort they put in with the children.

Question of the Week/Word of the Week

This week you will see some speech bubbles up around school. They contain a question or word to talk about with your child. Look out around the main doors to the school building.

HAVE A GREAT WEEKEND!
