World Book Day

It was a brilliant World Book Day yesterday. The children looked fantastic and it was lovely to have so many parents in school reading at the start of the day. The book sale in the afternoon went well and we are looking forward to buying some new books with the proceeds.

School Uniform

Having a spring clear out? The Friends of Buckfastleigh (FOBs PTA) would love donations of any good condition outgrown school uniform so that we can hold a second hand uniform sale to raise money for school extras and save you a few quid too! Watch this space for dates of the sale. Please bring uniform to the school office.

As always if you are interested in getting involved in this or any fundraising events, please pass your name to the office.

TikTok Privacy and Safety Checklist

Lots of children are using TikTok so SWGfL have developed some leaflets that you can either order (free) or download about the privacy and safety settings on the TikTok app. It is worth downloading these leaflets and reading through the information.

MTAs Needed

We are looking to appoint some extra Meal Time Assistants at Buckfastleigh Primary School. A letter went out about it this week. If you would like more information, please speak to Kirsty in the office.

School Disco

The Easter disco is planned for Friday 20th March. Timings will be similar to the last disco.

- Reception and KS1: 5-6pm
- KS2: 6:15-7:15pm

If you would like to DJ at the disco or help out the FOBS team in some other way, please get in touch with the school office or contact a FOBS member directly.

Science Week (STEM)

Science week is on during the week beginning 16th March. We have some visitors booked to come into school and our Science Coordinator, Shelley Micklewright has put in a lot of work to make it an exciting and interesting week for the children. If you work in one of the STEM industries and would like to come into school to share your knowledge and expertise, please speak to Kirsty in the office.

Parent Voice Meeting

Our next parent voice meeting is on Monday 9th March at 2:30pm. Please come to the school office.

HAVE A GREAT WEEKEND!
