

13.11.20

Dear Parents and Carers,

What's Going On...

This week has seen Joe Wicks on in classes each day as the children have built up towards today's Children in Need day. The focus has been on discussing 'Five to Thrive' which is all about children's wellbeing and mental health. The themes of 'Five to Thrive' are:

- Connect
- Take Notice
- Get Active
- Be curious
- Give

It culminated in today when it was great seeing all the children in their own clothes today and a lot of them were very colourful in their spots!

On Wednesday, all the children took part in the two minutes silence for Remembrance Day to mark the anniversary of World War I. The children were amazing in the respect they showed and you could have heard a pin drop across the school. Rob Pepper did a thought provoking assembly on the day which all the children watched in their classes.

Parent Meetings

Parent meeting phone calls started this week. All the teachers have said it has been great to chat with parents and celebrate what is going well for their children. More appointments are books for next week. You should have received a letter from your child with a specific time and date for your appointment. Please message your child's class teacher on Class Dojo if you haven't received this.

COVID Tests

Buckfastleigh Primary School has had no positive COVID test this week for either children or staff.

Have a good weekend and take care,

Eddie Brown
