

25.9.20

Dear Parents and Carers,

## **Intra-School Sports**

This week Becky Mason from the Dartmoor School Sports Partnership came into school to run a day of competitive sport for all the children in Key Stage 2. All the children were split into their family groups in each class. The children competed against each other on different sporting events and scores were kept through the day.

Lots of fun was had by all and there was some great sportmanship. Overall, the winners of the day were Badger House. Well done to all the children who took part. We are looking forward to when Becky can come in again and work with Key Stage 1.

## **All Day Breakfast**

Next Thursday 1<sup>st</sup> October is lunchtime census day. This is a day when it is helpful for as many children as possible to have a school dinner because that will maximise the funding the school gets to pay for lunches. Donna will be doing a delicious 'all day breakfast' for the children to enjoy. Please sign up for the lunch in the usual way using Parent Pay.

## **Parent Governors**

Would you like to make a positive contribution to the development of Buckfastleigh Primary School? The school is looking to appoint some more parent governors. This valuable voluntary role makes a big difference to the school and gives you an opportunity to have a wider impact on the education of the children in our community. If you are interested, please get in touch with us by ringing the school office or speaking to a member of staff.

## **Gardening Group**

We have some wonderful wild spaces on the school grounds but they keep on growing!! Are you interested in gardening and can help us maintain it during the year? We are looking to get a small group of keen volunteers together to keep the school grounds looking amazing. If you think you can spare a few hours once or twice a month, please speak to a member of staff or a member of FOBS.

Have a great weekend,

Eddie Brown
