Dear Parents and Carers,

Jubilee Tea Party

Many thanks to all the parents and families members that came along to the Jubilee tea part on the Friday before half term. We couldn't have been luckier with the weather which was fantastic. I'm sure you'll all agree that the children were amazing. Their singing was wonderful and their behaviour exemplary. A big thank you and well done to our Year 6 children who helped to organise the event and waited on tables with the scones, cream and jam.

Morning Gate Time Change

A big thank you to everyone who is getting into school a little earlier in the morning now. Since we started closing the gate at 8:50am, we have noticed a real positive difference in the children first things in the morning and our ability to get the day off to a prompt start at 9am. The new time will continue for the rest of the year. Gates open now at 8:35am and close at 10 to 9.

Grenville House

Good luck to our Year 6 children as they head off on their school residential this coming week at Grenville House. It promises to be an incredibly exciting and challenging week as the children take part in caving, paddleboarding, orienteering, abseiling and raft building among others!

Fingers crossed for sunny weather – just not too hot!

Diving Medal for Ava

A big well done to Ava Cowper in Year 6 who trains in the Plymouth Diving Elite Development Squad. She recently competed in two south of England competitions. She achieved silver in Plymouth and Gold in Tunbridge Wells with some superb diving. This has allowed her to qualify for the National Skills Finals in Leeds in July. This will mean she is competing with the top divers of her age in the country. What an exceptional achievement and we wish her good luck in July.

KS2 Cricket Day

Becky Mason and some sports leaders from South Dartmoor College came in on Wednesday to enjoy a day of cricket with our KS2 children. This had to be in the hall at times because of the rain. It was clear the children were really enjoying themselves due to the cheers of excitement that came out of the hall the whole day!

Don't forget that Alan, our Sports Coach runs a Kwik Cricket club on a Tuesday after-school. This only costs £1 a week for an hour of fun. If you would like your child to come along and try the club, please get in touch with Kirsty in the school office.

Dates for the Term

Please put these important dates in your diary for the term. Some are subject to change but they are our provisional dates.
