Open Afternoon

It was brilliant to see so many of you at Open Afternoon on Wednesday. We hope you enjoyed looking at all the wonderful learning the children had put on display. It was especially nice to see children proudly sharing their books with you around the school. Check out some of the pictures below of the displays.

Sports Day

Don't forget that on Wednesday 5th July, we will be doing Sports Day at Buckfastleigh Rangers football club. The start time is 1:30pm.

Aspiration Fayre

On Friday 7th July, we have organised an Aspiration Fayre for the children to learn about all the interesting things they could do as a career. If you know of a local business who could come along, please ask them to get in touch with us at school on 01364 643304.

I hope you have a great weekend,

Eddie Brown
