Year 5 Residential to Bristol

Last week, the Year 5 children visited Bristol for 3 days on residential. It was an amazing few days with lots of great experiences for the children. During the week, we learnt all about Easton Jamia Mosque, visited the Wildlife Photographer of the Year Exhibition, walked across Clifton Suspension Bridge, climbed Cabot Tower, walked the floating harbour, played Crazy Golf and ate some foods of the world. One of the children's best experiences was our visit to Brunel's SS Great Britain. It was made even more special when we found out that Princess Anne was there at the same time.

The adults that went along were really proud of the children as for many of them it was their first time away from home on their own. They were sensible, well-mannered and looked after each other. There was also a lot of laughter had by all!

Check out some of the pictures below from the trip.

Meal Time Assistant Needed

We are looking for an enthusiastic and caring person to join our fantastic team of MTAs. The role is term time only and equates to 6.25 hours per week. If you are interested, please speak to the school office and they will be able to give you information about the application process.

Well Done Year 6

This week, our Year 6 children completed their end of year SATs tests. We are incredibly proud of their positive attitude and hard work.

Relationships and Sex Education (RSE)

Don't forget the information sharing sessions next week for parents and carers. They are on the following dates:

- Year 4 - Monday 15th May @ 3:30pm
- Year 5 – Tuesday 16th May @ 3:30pm
- Year 6 – Friday 19th May @ 3:30pm

Class Photos

Whole class photos will be on Monday next week. These will be organised through the morning. Please make sure your child comes to school in their full school uniform with their jumper.

A Message from...

Hello! My name is Krista Ford and I am the new Family Support Advisor at Buckfastleigh and Ashburton Primary School. I am so excited to be able to meet the children and yourself. I will be based at both schools and hope to help in any way possible throughout the rest of the school year!

Want to know a little about me? I have multiple experiences of working with children, from mainstream and SEN schools to mental health. Prior to my previous role in a SEN school, I completed a degree in social work and followed my passion of working within education. I was born and raised in the Newton Abbot area and enjoy getting out and exploring, especially when the weather is warm! However, the British weather does not always shine through, so in my free time I love to play badminton, immerse myself in music and spend time with my family.

I am looking forward to spending time getting to know you and your child whenever possible and I will make sure to show my face in school, on the playground and when you drop your children to and from school! I believe that communication is the key in helping you and your child feel comfortable in the school environment. If you have any questions, concerns or just need a space to talk, please let me know!

I look forward to the rest of term together and many more to come!
