

Reading:

Class novel/read: Chitty Chitty Bang Bang - Race Against Time by Frank Cottrell Boyce (we need to know the story for our upcoming English Unit)

Re-think Reading:

Anne Frank

Writing:

Texts being covered in writing:

Women in Science (biography/non-fiction)

Chitty Chitty Bang Bang: Race Against Time (fiction)

Maths:

We are starting with: decimals.
We will be looking at place value, rounding, adding and subtracting decimals.

We will be moving onto percentages after this.

Science: Biology

Our topic is: animals including humans.
Our main focus is about the circulatory system.

We will be learning about the heart and how blood is transported around the body in our blood vessels.

History: The Lady of Mercia

This unit is about the Viking invasion of England following on from the Anglo-Saxon unit we have just done.

Geography: Migration

This unit is focusing on the migration of people starting with the migration of people to England from a land with only animals. There is also learning on refugees.

RE: Living Christian Traditions

This unit is focusing on elements of Christianity like the commandments and rejoicing/hymns.

Buzzards
Year 6
Spring Term 1

Physical Education:

In PE we are doing:

Dance based around what we will be doing for our Body Language. Our theme will be the Red Arrows this year. (More info on this later!)

PSHE & Wellbeing:

Our Jigsaw focus is:

Dreams and Goals - setting goals and looking at the steps on how to reach them.

Art/DT:

We will return to this next term.

Music: Songs of WW2

This unit will look at different styles of songs comparing to songs in WW1. The children will look at pitch, dynamics and texture of music.

How can you support at home:

Daily reading - Please discuss reading books with your children.

TT Rockstars- Times tables knowledge is vital for Year 6 children.

Maths homework sent home weekly.

Practise spellings sent home weekly.

Reading comprehension sent home weekly.
