

Buckfastleigh Primary School

Special Educational Needs and Disabilities (SEND) Information Report

2026 - 2027

Who do we help?

- At Buckfastleigh Primary School, we support children with special educational needs and disabilities.
- This will be a child that has a need in the any of the four following areas:
 - - Communication and Interaction
 - - Cognition and Learning
 - - Social, Emotional and Mental Health
 - - Physical and/or Sensory
- Children can have needs across one, some, or all of the above categories.

How do we help?

- - Identify the needs of a child as early in their schooling as possible.
- - Adapt teaching to meet the needs of all children.
- - Provide additional support and provisions in the classroom.
- - Monitor the progress of a child with SEND through a Learning Plan and additional assessment.
- - Work closely with parents to ensure the needs of their child are met and appropriately supported.
- - Work closely with outside agencies and other professionals to ensure the best support is in place for a child with SEND.

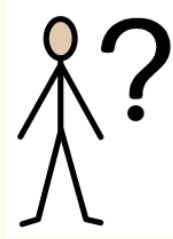

How do we check we are helping?

- - Regular monitoring of a child's progress in learning.
- - Parent/Carer Consultation Meetings with Class Teachers.
- - Monitoring of a child's Learning Plan, setting and reviewing outcomes to ensure they make progress.
- - Open and honest communication with parents/carers.
- - Working together with parents/carers to provide the best for a child with SEND.
- - Training for staff to further their understanding and knowledge of supporting children with SEND.
- - Seeking advice and guidance from external agencies and specialist professionals.
