

What is the PE and Sports Premium?

The government has committed to spend over £450 million on improving physical education and sport in primary schools over 3 academic years, from 2013-2016. This funding, provided by the Departments for Education, Health and Culture, Media and Sport has been allocated to Primary head teachers across the country. This funding is protected and therefore can only be spent on the provision for PE and sport in schools.

How was the 2015-2016 PE and Sport Premium was spent?

We received: £9000

- Torquay United after school football club.
- Equipment for PE lessons and active playtimes.
- Subsidised swimming lessons and use of the local swimming facilities for ALL children in the school.
- Transport costs to local sporting events where pupils can participate.
- After school clubs, such as Gymnastics.
- Inspire Coaching – high quality specialist PE cover in Years 3 & 4.
- Ten Tors training for staff – including first aid and moorland leader training.
- Participation fees for sports tournaments.
- Member of school staff trained to deliver high quality swimming sessions for all children.

What was the impact of the premium?

The money used greatly increased the enjoyment, fulfilment and healthy lifestyle of all children at Buckfastleigh Primary School. ALL children were able to represent their school at least in a festival or event and many represented their school in a competition. The money spent on resources allowed all children in Key Stage One to be active at playtimes and during PE lessons.

As well as this:

- Our emphasis on PE at Buckfastleigh has meant that all children, of all abilities and age ranges, enjoy Physical Activity and participate fully in festivals, PE lessons, competitions and events.
- Teachers and teaching assistants who have taken part in training courses have reported a renewed sense of confidence in teaching particular aspects of the PE curriculum and are therefore able to deliver the highest quality PE lessons.
- A trial of daily vigorous activity, particularly in KS1, has seen improved concentration in particular children who find it difficult to focus.
- More children are taking up a wide variety of clubs and opportunities outside of school.
- Children throughout the school are aware of the need for a healthy, active lifestyle not just in school but out of school as well.

What are our aims for 2016-2017?

- To increase the quality of teaching and learning of PE
- To provide more opportunities for all children of ability and age to attend sporting events, clubs and tournaments.
- To ensure children are more active at school

- To offer a wide range of after school clubs, promoting an active lifestyle and further experiences to children.

Aim	Time Frame	How?	What will this look like?	Cost
To increase the quality of teaching and learning of PE	Sept 2016 – August 2017	<p>Survey of teaching staff and teaching assistants.</p> <p>Staff to be given tailored mentoring based on needs by qualified coach.</p> <p>High Quality PE schemes with emphasis on support and challenge to be adopted.</p> <p>Children to have a wide range of quality resources to reach full potential.</p>	<p>All children feel supported and challenged in PE activities.</p> <p>All teachers feel confident in delivering good to outstanding PE lessons.</p>	<p>Scheme of work.</p> <p>Specialist teachers.</p> <p>PE resources.</p>
To provide more opportunities for all children of ability and age to attend sporting events, clubs and tournaments.	Sept 2016 – August 2017	<p>Every class to have a wide range of festivals and events to choose from.</p> <p>All children to participate in at least one event, completion and festival.</p> <p>Sports Clubs to be rotated.</p> <p>Sports Council to be elected to decide on a 'new, innovative' club.</p>	<p>Children proudly discuss the experiences they have had representing their school.</p> <p>Children are engaged in a physical activity after or before school.</p>	<p>Transport to and from events.</p> <p>Resources for clubs.</p>
To ensure children are more active at school.	Sept 2016 – August 2017	<p>Children to be given a wide range of equipment.</p> <p>Play leaders?</p> <p>Vigorous activity to be built into timetable for five minutes every day.</p>	<p>Children can be seen at playtimes enthusiastically participating in a physical game.</p> <p>Teachers report increased concentration post VA session.</p>	<p>Equipment for KS1 and KS2 playground. (Ask School Council)</p> <p>Training for staff on VA.</p>

So how will the 2016-2017 PE and Sport Premium money be spent?

We will receive: £9,095

- Increasing participation across the school for all Year Groups, especially KS1 in competitions and festivals.
- Working with specialist coaches to encourage additional sporting activities.
- Running and participating in sport competitions.
- Affiliations with local sports associations.
- Running after school clubs.
- Provision for Pupil Premium/SEND children.
- Investing in a range of equipment for both playtimes and lessons.
- Exploring the possibility of new schemes of work to support Outstanding PE teaching.
- Training for staff in tailored areas.

What is PE like at Buckfastleigh Primary School?

Buckfastleigh enjoys a rich and varied P.E curriculum which centres around keeping children fit, healthy and active. Being a member of the South Dartmoor School Sport Partnership allows the children to participate in a variety of exciting and memorable physical activities at both a local and county level.

This includes a wide range of competitions and festivals which encourage children to work as a team, develop their skills, learn something new and, above all else, develop a love for sport and physical activity.

In the first term, Year One and Two took part in a football tournament whilst Year Five and Six have participated in a tag rugby festival. Throughout the year, various opportunities revolving around Dance, Athletics, Games and Gymnastics will see all children represent their school at a local and possibly county level.

As well as this, our membership means that we can take advantage of a range of training courses for teachers, teaching assistants and governors to ensure that the PE we are delivering in school is of the highest possible standard.

This allows us to spend our Sports Premium money on active after school clubs, equipment for schemes such as Fun Fit, key resources and transportation to and from sporting venues.

Last year, all year groups from Foundation to Year Six participated in swimming lessons twice a week in the Autumn and Summer term at Buckfastleigh Open Air Swimming Pool. They received coaching from a qualified swimming instructor.

Buckfastleigh Primary School wants every child to develop a love for physical activity and a healthy lifestyle. We strive to make sure that every child is able to reach their full potential both inside and outside of school.

Our PE Overview:

	Autumn	Spring	Summer
Foundation	Stability Locomotor Manipulative	Gymnastics Locomotor Dance	Gymnastics Games Development Healthy Me! Swimming
