**Year 6 Home learning Letter**

Dear Parents & Carers

The children have bounced back into school this week no doubt fuelled by lots of rest and chocolate eggs over their Easter holiday. Aberdeen were delighted today as they took charge of Keith "The Attendance Owl" as Aberdeen class achieved 100% attendance this week, for the first time ever!

The best attendance of any class this week so we celebrated during assembly and I even danced a jig!

The children are working with maturity and focus and are showing that they feel positive and engaged with their learning, I am very proud of the progress they are making.

As usual, I have set some home-learning for next week:

In **English** this week the children will be bringing home their **CGP books** (Remember answers are in the back) and they will be looking at **word endings the "shul" sound. Pg 76/7.**

In **Mathematics** the children will be working on **-CGP Page 28/29 Fractions, decimal & percentages**

**Please don't forget to practise times tables daily-** weekly scores will be recorded in your child's home learning book. Your child also has the opportunity to use **Doodle Maths** each week to challenge themselves with "Five a Day" and times tables.

**Spellings this week are:**

Your child will record their weekly spelling score in their home learning book each week.		
<b>For everyone to aim to learn at least five of these:</b>		
<b>Year 3 /4 &amp; 5/6</b>	<b>New vocabulary:</b> We will be focusing on developing a wide and varied vocabulary to support reading and writing in Year 6. Children will be collecting new words in class each week and we will have some in our spelling list too.
